

CSC Annual Study Day 10th October 2022

Manchester Central

The venue for our Sustainability study day, 10th October 2022, will be the Manchester Central Convention Complex, otherwise known as Manchester Central or GMEX.

Location Map >

Address: Manchester Central Convention Complex, Petersfield M2 3GX

Tel: 0161 834 2700

Converted from the former Manchester Central railway station, which ran for 89 years until 1969, the G-Mex Centre opened in 1982 and was Manchester's primary music venue. Following more recent renovation the venue reverted to its former name of Manchester Central in 2007.

Interestingly for CSC delegates the complex recently became a temporary NHS Nightingale Hospital field hospital for non-critical coronavirus patients.

Directions:

As the CSC Annual Study Day is focussing on Sustainability, we have chosen Manchester Central's iconic venue which is right in the heart of Manchester and easy to reach via Manchester's extensive multi-modal transport network.

Bus services:

Metro shuttle buses are free and link the city centre's main rail stations.

Metrolink trams:

Metrolink trams from early morning till late at night and the nearest Metrolink stop to Manchester Central is St Peter's Square

Taxis:

Dedicated taxi ranks are located at the main rail stations and the venue has a dedicated rank for drop-off and pick-ups.

Walking from the local rail stations to the venue:

Whilst the venue is a 20 min walk from Manchester Piccadilly station, it is 10min from Oxford Road station and 5 mins from Deansgate station.

We look forward to seeing you at the Study Day.
